

type number: **PP 80/45/6_LB**

product description: The instrument pad is designed for filling the mounting space in KOPOBOX 80 floor box.

The KOPOBOX is designed for 2 instrument pads.

It is possible to install 6 modular instruments (45x45 mm) into one pad.

The pad is appropriate for modular instruments installation, for example QUADRO instruments, or instruments with compatible construction, e.g. those made by ABB, PEHA, Legrand, OBO Bettermann, Schneider Electric Altira ...

The pad includes 2 partitions which are determined for separation of electrical circuits. Partitions are slipped in separating ribs of the pad.

The pad package includes screws for mounting in KOPOBOX 80.

- material: polyamide
- color: gray RAL 7012
- self-snuffing: yes, within 30 s
- temperature resistance: -5 - +105 °C
- flaming loop test: 850 °C
- fire class for underlying material: A1-F
- sales amount: á 1 pc
- certification: EN 60607-1
- storage: ČSN 64 0090
